Reports of Officials

Chairman's Message. Chairman Hong reported that the most significant event that occurred in 2016 was the retirement of KCFCU's President and Chief Executive Officer, Mr. Melvin Chiba, after 42 years of service. Upon his retirement, Ms. Tess Shimabukuro was confirmed as the new President and Chief Executive Officer in October 2016. Ms. Shimabukuro was the Executive Vice President for a number of years and is very knowledgeable in the operations of the Credit Union. Also retiring in 2016 after 24 years of service was Mr. Owen Nishihara who was the Vice President of Human Resources. Mr. Kaleo Perez is the new Vice President of Human Resources.

A concern that has been raised by some members is the constant change in staffing who do not recognize them when they go into a branch office to do their transactions and being asked for their identification. Chairman Hong reassured the members that the turnover in staffing is not higher than other places of employment or due to people not wanting to work at the Credit Union. KCFCU has a policy of filling position vacancies whenever possible with the best qualified people from within the organization vs. externally, which will result in some internal shifting of staff to other positions or to other branch offices. All members are valued and considered equally important to the organization.

Efforts are continuing to build a new branch office in Kilauea as well as to review the branding of the Credit Union to become more recognizable and acceptable as the financial institution of choice for its members. Chairman Hong extended his appreciation to those members who participated in providing feedback to the consultants. Another accomplishment is the establishment of student credit unions in Kauai's three public high schools which is an important step in educating the youth on financial management which will help them in their future years.

Chairman Hong extended his appreciation to Mr. Mel Chiba, Ms. Tess Shimabukuro and her management staff and KCFCU employees, the Volunteers and fellow Directors for their dedication and work in making 2016 a success. On behalf of the Board of Directors, Chairman Hong thanked the membership for their support and confidence in their Board of Directors.

Supervisory Committee. On motion duly made, seconded and carried, the report of the Supervisory Committee was accepted.

Credit Committee. On motion duly made, seconded and carried, the report of the Credit Committee was accepted.

Recruitment Committee. Mr. Eric Honma, Chairperson of the Recruitment Committee, presented the following nominations:

Board of Directors-3 Year Term: Mr. Phil Fudge
Mr. Walton D.Y. Hong
Mr. Earl Miyao

Credit Committee-3 Year Term: Mr. Brent Mizutani

On motion duly made, seconded and carried, the Nominating Committee Report was accepted.

President/CEO's Report. Ms. Shimabukuro extended her appreciation to Mr. Chiba for his leadership and guidance and teaching the importance of upholding the Credit Union's values as well as allowing her the opportunity to learn and grow with the organization. Upon behalf of the Credit Union, she pledged that his legacy would be continued and his vision would be carried out of bettering the financial well-being of its members.

In 2016, KCFCU supported many community events as well as raised \$40,000 through its annual Charity Golf Tournament to benefit the Pediatric Units at Wilcox Memorial Hospital and the Kapiolani Medical Center. KCFCU collaborated with the educational community to promote financial literacy amongst the youth by opening student credit unions at the three high schools, as well as the Bank Bus program in several elementary schools. Programs implemented in 2016 included the ability for members to view their deposited checks via homebanking; lowered the annual fee, added cash redemptions and non-expiring points to the VISA Platinum credit cards; addition of an App to allow members to control their debit cards 24/7 as a tool to combat fraud; and members having the ability to have their debit card issued from two of the branch offices for a nominal fee.

Financial performance in 2016 reflected stellar growth of 9.06% in Assets, 8.84% in Member Savings, and 8.70% in Loans, with a Net Income of \$4 million. Ms. Shimabukuro reported that KCFCU at \$456 million in assets, \$239 million in loans to members, and total member savings of \$411 million is financially sound and stable.

Plans for 2017 includes joining a network of credit unions allowing accessibility to 70 locations statewide as well as accessing surcharge free ATMs in 50 states; renovations to three branch offices; upgrading the ATMs; issuance of credit and debit chip cards for added security; refreshing the Brand; and continuing to promote financial literacy.

Ms. Shimabukuro extended her appreciation to the volunteer Board of Directors and Committee Members for donating their time to ensure that plans and decisions made improve the members' lives, and also to the Staff and Management of KCFCU for all that they do for the membership. And to each and every member for their loyalty, cooperative spirit of people helping people, and their confidence in their Credit Union.

Unfinished Business - None.

Hong, and Mr. Earl Miyao to a three-year term on the Board of Directors, and Mr. Brent Mizutani to a three-year term on the Credit Committee.

2017 Annual Report

Chairman's Report

This year will be the 64th year since your credit union was established by the ten farmers who had the vision of a financial institution to help the fellow members of their community meet their various needs through savings and loans.

The past two years have been years of evolution of this credit union. When President Tess Shimabukuro took over the reins of the credit union following the retirement of Mel Chiba, we shifted gears to accommodate a new style of management. I am happy to report that the credit union has continued to grow and prosper under President Tess Shimabukuro and her management team.

During the past year, we grew from \$458 million to \$486 million. We continue to match other credit unions of comparable size and membership in the State of Hawaii. This is the result of careful planning and the hard work and dedication of your credit union's management and staff.

We continue to look for ways to educate our younger members as to the financial realities they will face as they enter into the mainstream work force. The three student credit unions we established at Waimea High School, Kapaa High School, and Kauai High School are thriving.

Notwithstanding the credit union's continued success, we have faced obstacles needed to be overcome. We are still doing everything we can to establish a branch office in Kilauea. However, we continue to be hampered in the entitlement and permitting process, such as the requirement to provide a source of potable water for the branch office.

The threat of larger credit unions coming in to take over the smaller and more vulnerable credit unions remain. If we are to remain true to our belief that the credit union must be able to meet its members' financial needs with the "Aloha Spirit", we must be willing to evolve into a larger and stronger credit union.

Later in this annual meeting, we will show you how this evolution will occur. While the change may initially be difficult to accept, we will need your continued support, belief and faith that we can grow and prosper in the years to come.

I would like to express my thanks and appreciation to my fellow directors, the management and the staff of the credit union for their dedication and hard work to make the past year a success. As you will see later in the meeting, they have had to put in extraordinary time and effort in the past months to enable the credit union to plan its future course of action.

Your Board of Directors and management look forward to another successful year.

Respectfully submitted,

Walton D. Y. Hong
Chairman of the Board of Directors

President's Report

It has been a privilege to serve as your President/ CEO for a full year. I am pleased to report, Assets grew by \$27 million (5.90%); Member Savings grew by \$22 million (5.49%); Loans grew by \$27 million (11.66%). Net income for the year amounted to \$3.3 million. Now at \$486 million in assets, with \$267 million in loans to members, and total member savings of \$434 million. Your credit union remains financially stable and sound.

We have continued to promote financial literacy by offering educational seminars ranging from understanding credit scores to homeownership. We opened our third student credit union at Waimea High School along with the Bank Bus Program at several elementary schools.

As we are committed to providing you better experiences, we are upgrading our ATMs and renovating our Kapaa, Waimea and Eleele offices. Our VISA Credit and Debit cards now include the EMV chip for added protection. Additionally, you are now able to visit more than 5,600 credit union Shared Branch locations throughout the nation, including over 70 locations statewide.

It is heartwarming to see our volunteers, employees and you our members supporting our charitable causes. We continued to be very active in the community, either donating, participating, or volunteering with nearly 100 charitable and non-profit organizations.

This year, our annual golf tournament raised \$36,000 for Wilcox Pediatric Services on Kauai via the Kapiolani Children's Miracle Network. Kauai's credit unions collectively donated \$37,000 to the Kauai Independent Food Bank. \$17,000 was solely from KCFCU.

Thank you once again for voting us the Best Credit Union in the Garden Island Newspaper's poll. We are also proud to

have been recognized as the SBA 7(a) Lender of the Year in Category III.

Today we are excited to unveil the new direction for the KCFCU brand. Rebranding ourselves was a very big step. To make sure we got it right, we reached out for input and feedback from the membership and community over a two-year period. Rest assured, we are not changing our staff, business hours, account numbers, or our full-service approach to serving your financial needs.

Our new brand links us to our past, but represents a forward-looking brand promise to our members and community. To remain relevant with current and future generations, we must reach out and adapt to new opportunities. Our brand refresh embraces this mindset. We are local, and will always be local.

In the coming months you will be seeing more and more of our new branding materials that better reflect who we are in 2018: a modern credit union that is 100% local, member-owned, and dedicated to Strengthening the Financial Well-being of our Members and Island Communities. Although we are a financial institution, we are also a family – a family that has been dedicated to serving you for 64 years and promises to continue that level of dedication for many more years to come.

I would like to express my appreciation to our volunteer Board of Directors and Committee members who donate their time to ensure our plans and decisions improve the lives of our members.

To the KCFCU Staff and Management, my sincere gratitude for all you do for our membership.

I thank you all for the trust and confidence you place in your credit union team. Please know how much we appreciate your membership and how proud we are to be able to report to you another outstanding year.

Credit Committee Report

Kauai Community Federal Credit Union's Credit Committee works in conjunction with the Credit Union's Board and Management to create and monitor credit services and policies. Our goal is to offer loan and credit programs that are affordable to the membership and result in growth and security for KCFCU.

In 2017, the Credit Committee approved 4,187 loans totaling \$111,414,982.17. The three highest categories in dollar amounts were for purposes of auto loans, mortgage refinances, and home equity loans. As we look forward to the coming year, KCFCU will continue to offer programs that benefit the membership, and result in growth and security for the credit union.

Loans at KCFCU are for its members only and benefits derived are shared only amongst the membership. We are proud of the fact that Kauai Community FCU's loan program continues to offer a full range of loan products with some of the lowest interest rates available.

On behalf of the Credit Committee, I would like to express my appreciation to the Board of Directors, Management and Staff for their continued support. The members, however, are the ones who make it happen. Thank you for the privilege of servicing your financial needs. We look forward to continuing to effectively serve you for many years to come.
